Hansberger Approves Prop 1B Funds

Third District Supervisor Dennis Hansberger voted to approve the first list of projects to be funded from Proposition 1B funds, totaling over \$20 million, for transportation projects throughout San Bernardino County's vast unincorporated areas.

Projects in the Third District include \$1.5 million to rehabilitate pavement on Colton Avenue, from Wabash Avenue to Crafton Avenue and \$1.2 million to improve sight distance at the intersection of Fifth Avenue and Walnut in the Mentone/Crafton areas; \$800,000 for slope protection along Maple Lane between Barton Lane & Highway 38 and \$970,000 for storm drain improvements along Pine View Drive from Big Bear Blvd to Aeroplane in the Big Bear area; and \$400,000 in a partnership with the City of Colton to widen Reche Canyon Road south of Barton Road.

"Approving this list of projects will start the flow of money so we can get these needed projects done – projects that will make our roads safer for residents and visitors," Hansberger said.

The allocation to each district is based on a formula based on population (75%) and road miles (25%) within each of the county's supervisorial districts. Hansberger's 3rd District will receive 24% of the \$20 million - \$4,897,015.

San Bernardino County expects to receive a total allocation of Proposition 1B funds amounting to \$51 million, which includes this \$20 million allocation.

Attached is a complete list of projects approved by the Board of Supervisors.

PROP 1B LOCAL ROADS 1ST YEAR PRIORITY PROJECTS

Yd	Location	SD	Road Name	Project Limits	Type of Work	Planning Cost Estimate	Thomas Guide Page	Thomas Guide Grid
11	PHN	1	BEEKLEY ROAD	SH 138 N/PHELAN RD	Install Culverts	\$1,900,000	4562	H1
